

VEBIK Publication Prize 2024

Are you a **student of epidemiology, biostatistics, or medical informatics** and have **published** an article related to your studies?

The “Mainzer Verein zur Förderung der Epidemiologie, Biometrie, Informatik, Dokumentation und der Krebsregister e.V. (VEBIK)” is sponsoring a **€200 prize** for students who are studying at a master’s level or have completed their master’s within the last 18 months* and have published an article related to their studies. The prize will be awarded based on the uniqueness of the article’s research question, the quality of the methods, and the presentation of the results.

The criteria to be considered are:

- Applicant is the sole first author
- Article was published within the last 30 months* in a peer reviewed journal in either English or German
- Applicant has studied or is studying at master’s level

Would you like to apply?

- Send an email to vebik@uni-mainz.de with “VEBIK publication prize” as the subject line and include:
 - A pdf of your published article
 - Proof of your current status as a master’s student or a copy of your diploma if your studies were completed within the last 18 months*
 - A link to the PubMed or Web of Science entry

Applications will be accepted until 17:00 on **September 30, 2024**.

The award ceremony will take place at the VEBIK Business Meeting on March 12, 2025.
